Nashvillians and visitors: Look for the AFM Fair Trade Music sticker at the entrance to Lower Broadway bars and clubs. Patronize venues that treat musicians with respect! That's the Nashville Way.

Venue owners: For information on how your venue can earn a Fair Trade Music sticker contact the Nashville Musicians Association at 615-244-9514.

Musicians: For information on how you can join the Nashville Musicians Association, call us at 615-244-9514! We are the only organization working every day for professional musicians in Nashville.
